

Committee Reflection ~ October

Opening Prayer:

Holy God, bless us this evening
so that we will be doing your will in everything we do.
Help us to put aside our pride and ego
that seeks only what we want,
so that we can be filled with your Spirit
that leads us to want what you want.
Hear us in silence as we center ourselves in you
and ask you to guide us this evening...

Agnes Sanford, *The Healing Light*

God is both within and without us. He is the source of all life; the creator of universe behind universe; and of unimaginable depths of inter-stellar space and of light-years without end. But He is also the indwelling life of our own little selves. And just as a whole world full of electricity will not light a house unless the house itself is prepared to receive that electricity, so the infinite and eternal life of God cannot help us unless we are prepared to receive that light within ourselves. *Only the amount of God that we can get in us will work for us.*
