

OPENING PRAYER

Holy God, bless us in our time together
so that we will be doing your will
in everything we do.

Help us to put aside our pride and ego
that seeks only what we want,
so that we can be filled with your Spirit
that leads us to want what you want.

Hear us in silence
as we center ourselves in you,
and ask you to guide us this evening...

TERESA OF AVILLA

Christ has no body now but yours,
no hands but yours,
no feet but yours.

Yours are the eyes through which
Christ's compassion must now look out into the world.

Yours are the feet with which
He is to go about doing good.

Yours are the hands with which
He is to bless us now.
